All of us, united in big team created by you Sir Roland , do our best to be better and better with each year! And that is Why my feeling is a very good one and I am very pleased of that! We all became Sailors! And i really think this is “your fault” ! Thank you for that! 🍀**

Reporter SP: Your crew will be the same or are you planning some changes?

Skipper: **Our CREW, was different each year, during every competition. We have very good colleagues each time and we experienced together the feelings you have during a Sailing Pass Regata! Every crew , till now, was the perfect one, for Aquarius ! Also This year will have a different team! Stay tuned! 😊**

Skipper: **This 5Th edition will be won by the most experienced one or by that one who will asume More risks. Sailling means also a lot of adrenalin sometimes. And is necessary to take , calculate risks , if you want to win. May the best team , Win! 🍀**
